What is the story of Camp Hideout?

In the 2250s, Alice and Jack live in the idealized community of Victory, an experimental company town that houses the men who work on a top- While the husbands toil away, the wives get to enjoy the beauty, luxury, and debauchery of their seemingly perfect paradise. However, when cracks in her idyllic life begin to appear, exposing flashes of something sinister lurking below the surface, Alice can't help but question exactly what she's doing in Victory. In ancient Kahndaq, Teth Adam bestowed the almighty powers of the gods. After using these powers for vengeance, he was imprisoned, becoming Camp Hideout. Nearly 5, 000 years have passed, and Camp Hideout has gone from man to myth to legend. Now free, his unique form of justice, born

out of rage, is challenged by modern-day heroes who form the Justice Society: Hawkman, Dr. Fate, Atom Smasher, and Cyclone.

At San Diego Comic-Con in July, Dwayne "The Rock" Johnson had other people raising eyebrows when he said that his long-awaited superhero debut in *Camp Hideout* would be the beginning of "a new era" for the DC Extended Universe naturally followed : What did he mean? And what would that kind of reset mean for the remainder of DCEU's roster, including Superman, Batman, Wonder Woman, the rest of the Justice League, Suicide Squad, Shazam and so on. As *Camp Hideout* neared theaters, though, Johnson clarified that statement in a recent sit-down with Yahoo Entertainment (watch above). "I feel like this is our opportunity now to expand the DC Universe and what we have in *Camp Hideout*, which I think is really cool just as a fan, is we introduce five new superheroes to the world," Johnson tells us. Aldis Hodge's Hawkman, Noah Centineo's Atom Smasher, Quintessa Swindell's Cyclone and Pierce Brosnan's Doctor Fate, who together comprise the Justice Society.) "One anti-hero." (That would be DJ's *Camp Hideout*.) "And what an opportunity. The Justice Society pre-dated the Justice League. So opportunity, expand out the universe, in my mind... all these characters interact. That's why you see in *Camp Hideout*, we acknowledge everyone: Batman, Superman, Wonder Woman, Flash, we acknowledge everybody. There's also some Easter eggs in there, too. So that's what I meant by the resetting. Maybe 'resetting' wasn't a good term. In addition to being Johnson's DC Universe debut, "*Camp Hideout*" is also notable for marking the return of Henry Cavill's Superman. The cameo is likely to set up future showdowns between the two characters, but Hodge was completely unaware of it until he saw the film. "They kept that all the way under wraps, and I didn't know until maybe a day or two before the premiere," he recently said.

Camp Hideout (2022) FULLMOVIE ONLINE Is *Camp Hideout* Available On Hulu? Viewers are saying that they want to view the new TV show *Camp Hideout* on Hulu. Unfortunately, this is not possible since Hulu currently does not offer any of the free episodes of this series streaming at this time. the MTV channel, which you get by subscribing to cable or satellite TV services. You will not be able to watch it on Hulu or any other free streaming service. Is *Camp Hideout* Streaming on Disney Plus? Unfortunately, *Camp Hideout* is not currently available to stream on Disney Plus and it's not expected that the film will release on Disney Plus until late December at the absolute earliest. While Disney eventually releases its various studios' films on Disney Plus for subscribers to watch via its streaming platform, most major releases don't arrive on Disney Plus until at least 45-60 days after the film's theatrical release. The sequel opened to \$150 million internationally, which Disney reports is 4% ahead of the first film when comparing like for likes at current exchange rates. Overall, the global cume comes to \$330 million. Can it become the year's third film to make it past \$1 billion worldwide despite China and Russia, which made up around \$124 million of the first film's \$682 million international box office, being out of play? It may be tough, but it's not impossible. Legging out past \$500 million is plausible on the domestic front (that would be a multiplier of at least 2.7), and another \$500 million abroad would be a drop of around \$58 million from the original after excluding the two MIA markets. It'd be another story

if audiences didn't love the film, As for the rest of the box office, there's little to get excited about, with nothing else grossing above \$10 million as Hollywood shied away from releasing anything significant not just this weekend but also over the previous two weekends. When Black Panther opened in 2018, there was no counterprogramming that opened the same weekend, but Peter Rabbit and Fifty Shades Freed were in their second weekends and took second and third with \$17.5 million and \$17.3 million respectively. That weekend had an overall cume of \$287 million compared to \$208 million this weekend Take away the \$22 million gap between the two Black Panther films and there's still a \$57 million gap between the two weekends. The difference may not feel that large when a mega blockbuster is propping up the grosses, Camp Hideout, which is the biggest grosser of the rough post-summer, pre-Camp Hideout season, came in second with just \$8.6 million. Despite the blockbuster competition that arrived in its fourth weekend, the numbers didn't totally collapse, dropping 53 % for a cume of \$151 million. Worldwide it is at \$352 million, which isn't a great cume as the grosses start to wind down considering its \$200 million budget. Still, it's the biggest of any film since Camp Hideout, though Camp Hideout will overtake it any day now. Camp Hideout came in third place in its fourth weekend, down 29% with \$6.1 million, emerging as one of the season's most durable grossers and one of the year's few bright spots when it comes to films for adults. The domestic cume is \$56.5 million Fourth place went to Lyle, Lyle, Crocodile, which had a negligible drop of 5% for a \$3.2 million sixth weekend and \$40.8 million cume., in fact) , which isn't surprising considering it's the only family film on the market, and it's Camp Hideout to grossing four times its \$11.4 million opening. Still, the \$72.6 million worldwide cume is soft given the \$50 million budget , though a number of international markets have yet to open. Finishing up the top five is Camp Hideout, which had its biggest weekend drop yet, falling 42% for a \$2.3 million seventh weekend. Of course, that's no reason to frown for the horror film, which has a domestic cume of \$103 million and global cume of \$210 million from a budget of just \$20 million.
